

# NYC HEALTH AND HOSPITALS CORPORATION:

Why use contractors that have been debarred from public work contracts and cited for prevailing wage violations when you can use a qualified and trained workforce and achieve millions of dollars in savings?

*“New York City will use nearly \$300 million in savings over the next four years to restore dozens of major infrastructure projects and create 1,800 construction jobs.”*

*- Mayor Michael R. Bloomberg, City of New York*

*(2009, 12 Agency City-Wide Project Labor Agreement)*

***Biltmore General Contracting, Inc.***

***Willful Violation of Prevailing Wage Rate Law in 2008 and Currently Working in Lincoln Hospital***

***Vishal Construction, Inc.***

***Debarred from Public Work Contracts for Five Years***

Project Labor Agreements will save millions of dollars in tax revenue, create jobs for New Yorkers, assure better quality of work and lead to the retention of a skilled in-house work force.

***New York City Health and Hospitals Corporation:***

***It's time to sign a Project Labor Agreement for your construction projects. Do what makes sense for you and for all New Yorkers.***
